The North Shore Chamber Choir is an independent not for profit organization founded in 1995 for the purpose of producing quality chamber concerts for communities in Suffolk County. Programs are funded through member dollars, fundraising, ticket sales, corporate donations and grants. As we look to continue to rebuild and grow our programming in this difficult time, we are reaching out to the communities we serve for support. With a \$50 donation, your personal or business booster ad will help support quality music programs in our area. We are now accepting booster ads for our Spring 2025 program which will be used at all performances during this season.

Your support will make a real difference in our ability to continue producing enjoyable, affordable and enriching programs in our communities.

Just submit your business card or three line print ad and your check to the address below.

Booster deadline: April 22, 2025 Please make checks payable to **North Shore Chamber Choir**, and return to representative or mail to:
